IG GROUP HOLDINGS PLC  
Pre Close Trading Update

IG Group (“IG”, “the Company”), a global leader in online trading, today issues the following Trading Update for the second quarter of the financial year ending 31 May 2017, ahead of entering its close period.

The Company continues to perform in line with expectations, after a strong second quarter. Higher operating costs over the first half of the financial year, due primarily to the ongoing success in effective new client recruitment, have been offset by good revenue delivery.

There is no conference call scheduled for today, but the Investor Relations team will be available to answer questions.

The financial results for the six months ended 30 November 2016 will be announced on Tuesday 24 January 2017. There will be a presentation at this time for institutional investors and analysts at 9.30am (UK time) at the Group’s offices at Cannon Bridge House, Dowgate Hill, London EC4R 2YA; those wishing to attend the presentation should contact Jessica Colman at [jessica.colman@fticonsulting.com](mailto:jessica.colman@fticonsulting.com) or on 020 3727 1102.
