

Nomination Committee Terms of Reference

The Nomination Committee (the “Committee”) is a Committee of the IG Group Holdings plc (“IGGH”, the “Company” or the “Group”) Board from which it derives its authority and to which it regularly reports. References to Company or the Group shall include the UK regulated entities, IG Markets Limited (“IGM”), IG Index Limited (“IGI”), IG Trading and Investments Limited (“IG T&I”) and all other companies in the IG Group Holdings plc group of companies.

The Committee shall undertake its responsibilities for the Group as a whole and where relevant, for the individual entities forming part of the Group, in particular in respect of IGM, IGI and IG T&I under the Senior Management Arrangements, Systems and Controls Sourcebook (“SYSC”) requirement 4.3A and under MIFIDPRU 7.3.5R.

The Nomination Committee ensures that the Board and its Committees have the appropriate size, composition, skills, knowledge, diversity, experience and independence; and makes recommendations on Board succession planning. The Committee also reviews senior management talent and leadership needs to ensure that there is a pipeline of diverse talent to execute the Company’s existing and future strategy. (Footnote 4 of the UK Corporate Governance Code defines senior management as the Executive Committee (“ExCo”) or the first layer of management below Board level, including the Company Secretary.)

1. Duties

The Committee shall:

- 1.1. Review the structure, size and composition of the Board and its Committees (including skills, knowledge, diversity, experience and independence), and make recommendations to the Board with regard to any changes, in consultation with Committee Chairs when the review relates to Board Committees.
- 1.2. Ensure plans are in place for orderly succession to Board and senior management positions and oversee the development of a diverse pipeline for succession, taking into account the challenges and opportunities facing the Company, and the skills and expertise needed on the Board in the future.
- 1.3. Ensure that there are succession plans in place for the Executive Directors, the Board Chair, and the Senior Independent Director (“SID”) and make recommendations to the Board in this regard.
- 1.4. Identify and nominate for Board approval, the candidates to fill Board vacancies as and when they arise.
- 1.5. Before proposing an appointment to the Board, the Committee will consider the balance of skills, knowledge, experience and diversity on the Board or Board Committee, and ensure that a description of the role and capabilities required, and the time commitment expected has been prepared. In identifying suitable candidates, the Committee shall:
 - 1.5.1. Use open advertising or the services of external advisers to facilitate the search;
 - 1.5.2. Consider candidates from a wide range of backgrounds; and

- 1.5.3. Consider candidates on merit and against objective criteria with due regard for the benefits of Board diversity and taking care that appointees have enough time available to devote to the position.
- 1.6. Prior to the appointment of a Director, their other significant time commitments should be provided and the Committee should assess whether they have sufficient time available to devote to the position. The proposed appointee should also disclose any other business interest that may result in any actual or potential conflict of interest. These interests and appointments must be authorised by the Board prior to appointment. Any future business interests or commitments that could result in a conflict of interest must not be undertaken without prior authorisation as set out in the Director's External Appointments Policy and in accordance with the Board's Conflicts of Interests Policy.
- 1.7. The Committee shall also make recommendations to the Board concerning:
 - 1.7.1. Any changes to the succession planning process if its periodic assessment indicates that the desired outcomes have not been achieved;
 - 1.7.2. Suitable candidates as new Directors and in succession for existing Directors;
 - 1.7.3. The re-appointment of Non-Executive Directors at the conclusion of their specified term of office having given due regard to their performance and ability to continue to contribute to the Board in the light of the knowledge, skills and experience required;
 - 1.7.4. The re-election by shareholders of Directors under the annual re-election provisions of the UK Corporate Governance Code or the retirement by rotation provisions in the Company's Articles of Association, having due regard to their performance and ability, and why their contribution is important to the Company's long-term sustainable success in light of the knowledge, skills and experience required and the need for progressive refreshing of the Board, taking into account the length of service of individual Directors, the Chair and the Board as a whole; and
 - 1.7.5. Any matters relating to the continuation in office of any Director including the suspension or termination of service of an Executive Director as an employee of the Company, subject to legal requirements and their service contract.
- 1.8. Keep under review the leadership needs of the Group, from both the senior management and Board level, with a view to ensuring the continued ability of the organisation to compete effectively in the marketplace.
- 1.9. At least annually, receive succession plans for the Executive Committee and performance outcomes.
- 1.10. Review annually the time required from Non-Executive Directors for the Company. The annual Performance Review should be used to evaluate whether the Non-Executive Directors are spending enough time to fulfil their duties.
- 1.11. Ensure that on appointment to the Board, Non-Executive Directors receive a formal letter of appointment setting out what is expected of them in terms of time commitment, Committee service and involvement outside of Board meetings.
- 1.12. Review the results of the annual Board Performance Review relating to the composition of the Board and succession planning.

- 1.13. Receive updates on strategic issues and commercial changes affecting the Group and the market in which it operates.

Have regard to, or consider in the reporting to the Committee, Management's compliance with the twelfth FCA Principle introduced by the FCA's Consumer Duty regulation which requires firms "to act to deliver good outcomes for retail clients" in respect of UK regulated entities.
