Dear Shareholder

Notice of 2026 Annual General Meeting of IG Group Holdings plc (the “Company”)

I am writing to inform you that the Annual General Meeting (“AGM”) of the Company will be held at the Company’s offices at Cannon Bridge House, 25 Dowgate Hill, London, EC4R 2YA, on 19 May 2026 at 10:00am. The formal notice of the AGM and the resolutions to be proposed are set out on pages 8 to 9 of this document.

The notes on the following pages give an explanation of the proposed resolutions. Resolutions 1 to 17 are proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 18 to 21 are proposed as special resolutions. This means that for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Notice of 2026 Annual General Meeting

Annual Report and Accounts (Resolution 1)

The Directors present to the Shareholders at the AGM for approval as an ordinary resolution the Annual Report and Accounts for the seven months ended 31 December 2025, together with the Directors' and Auditor's Report in the Annual Report and Accounts.

Directors' Remuneration Report (Resolution 2)

Shareholders will be asked to receive and approve as an ordinary resolution the Directors' Remuneration Report for the seven months ended 31 December 2025. The Annual Report on Remuneration is set out in full on pages 82-87 of the Annual Report and Accounts and sets out the pay and benefits received by each of the Directors during the seven months ended 31 December 2025. This vote is advisory and therefore will not affect the remuneration or benefits received by any Director.

Dividend (Resolution 3)

A final dividend of 28.12 pence per ordinary share is recommended by the Directors for payment to Shareholders on the Register of Members at the close of business on 1 May 2026. Subject to the approval of Shareholders at the AGM, this dividend will be paid on 8 June 2026.

Re-election of Directors (Resolutions 4 to 13)

The UK Corporate Governance Code 2024 recommends that all Directors of FTSE 350 companies should be subject to annual re-election by Shareholders. In accordance with this, Breon Corcoran, Clifford Abrahams, Jonathan Moulds, Rakesh Bhasin, Andrew Didham, Marieke Flament, Wu Gang, Sally-Ann Hibberd, Susan Skerritt and Helen Stevenson will submit themselves for re-election by Shareholders at the forthcoming AGM.

Having considered the performance of and contribution made by each of the Directors standing for re-election, the Board remains satisfied that each of the Directors performs effectively and demonstrates full commitment to their individual role, including the appropriate commitment of time for Board and Committee meetings and other duties required.

Each Director standing for re-election will be proposed by separate resolution (Resolutions 4 to 13). The biographical details of each Director standing for re-election demonstrate why each Director's contribution is, and continues to be, considered important to the Company's long-term sustainable success. The biographical details of the Directors standing for re-election can be found on pages 6 to 7 of this document.

Election of Director (Resolution 14)

In accordance with the Articles of Association of the Company, and the recommendation of the UK Corporate Governance Code 2024, a Director appointed by the Board shall retire, and be subject to election by Shareholders at the first AGM of the Company following their appointment.

Andrew Barron was appointed on 2 March 2026 and is eligible for election by Shareholders. His biographical details, found on page 6 of this document, demonstrate why his contribution is, and continues to be, considered important to the Company's long-term sustainable success.

Auditor (Resolutions 15 and 16)

The Company is required at each general meeting at which accounts are presented to appoint an Auditor to hold office until the next such meeting.

PricewaterhouseCoopers LLP have indicated their willingness to continue in office, and the Board, on the unanimous recommendation of the Board Audit Committee, which evaluated the effectiveness and independence of the external Auditor, is proposing the re-appointment of PricewaterhouseCoopers LLP as the Company's Auditor for the financial year ending 31 December 2026.

Accordingly, Resolution 15 seeks to re-appoint PricewaterhouseCoopers LLP as Auditor to the Company, and Resolution 16 authorises the Board Audit Committee to determine their remuneration.

Authority of Directors to allot shares (Resolution 17)

The authority given to the Directors to allot further shares in the capital of the Company requires the prior authorisation of the Shareholders in a general meeting under Section 551 of the 2006 Act. This authority was given at the 2025 AGM, and this resolution seeks to renew that authority. Upon the passing of the resolution, the Directors will have authority to allot new shares and grant rights to subscribe for, or convert other securities into, shares up to a maximum nominal value of £5,480 which is approximately 33 per cent of the total issued ordinary share capital, exclusive of treasury shares, as at 2 April 2026, being the latest practicable date before the publication of this notice. This authority will expire at the conclusion of the next AGM of the Company or 30 June 2027, whichever is earlier. The Directors intend to seek to renew such authority at successive AGMs of the Company. As at 2 April 2026, being the latest practicable date before the publication of this notice, the Company held 29,396,212 equity securities in treasury.

In addition, in accordance with the guidance from the Investment Association ("IA") issued in February 2023 on the expectations of institutional investors in relation to the authority of Directors to allot shares, upon the passing of Resolution 17, the Directors will have authority to allot an additional number of ordinary shares up to a maximum nominal value of £5,480, which is approximately a further 33 per cent of the total issued ordinary share capital, exclusive of treasury shares, as at 2 April 2026, being the latest practicable date before the publication of this notice.

However, the Directors will only be able to allot those shares and grant rights to subscribe for, or convert other securities into, shares in connection with a pre-emptive offer in which the new shares are offered to existing Shareholders in proportion to their existing shareholdings and to holders of other equity securities as required by the rights of those securities or as the Directors otherwise consider necessary. This authority will also expire at the conclusion of the next AGM of the Company or 30 June 2027, whichever is earlier. The Directors intend to seek to renew such authority at successive AGMs of the Company.

As a result, if Resolution 17 is passed, the Directors could allot shares representing up to two-thirds of the total issued ordinary share capital, exclusive of treasury shares, pursuant to a pre-emptive offer. There are no current plans to use such an authority.

Notice of 2026 Annual General Meeting

The Directors have no current plans to undertake a pre-emptive offer or to allot new shares, except in connection with the Company's employee share schemes. The Directors consider it desirable to have the maximum flexibility permitted by corporate governance guidelines to respond to market developments and to enable allotments to take place to finance business opportunities as they arise.

Disapplication of pre-emption rights (Resolutions 18 and 19)

If the Directors wish to allot new shares and other equity securities, or sell treasury shares, for cash (other than in connection with an employee share scheme), company law requires these shares to be offered first to shareholders in proportion to their existing holdings (known as pre-emption rights). These pre-emption rights can be modified and/or disappplied to give the Directors greater flexibility in raising capital for the Company. The purpose of these resolutions is to give the Directors such flexibility, in line with the latest investor guidance.

Limbs (i) and (iii) of Resolution 18 seek shareholder approval to allot a limited number of ordinary shares or other equity securities, or sell treasury shares, for cash on a pre-emptive basis but subject to such exclusions or arrangements as the Directors may deem appropriate to deal with certain legal, regulatory or practical difficulties. For example, in a pre-emptive rights issue, there may be difficulties in relation to fractional entitlements or the issue of new shares to certain shareholders, particularly those resident in certain overseas jurisdictions.

The Directors have no current intention of exercising this authority but consider the authority in Resolution 18 to be appropriate in order to allow the Company flexibility to finance business opportunities or to conduct a pre-emptive offer or rights issue without the need to comply with the strict requirements of the statutory pre-emption provisions.

In addition, there may be circumstances when the Directors consider it in the best interests of the Company to allot a limited number of ordinary shares or other equity securities, or sell treasury shares for cash on a non-pre-emptive basis. The Pre-Emption Group's Statement of Principles (the "PEG Principles") were last updated in November 2022. They support the annual disapplication of pre-emption rights in respect of allotments of shares and other equity securities and sales of treasury shares for cash where these represent no more than ten per cent of the issued ordinary share capital (exclusive of treasury shares), without restriction as to the use of proceeds of those allotments.

Accordingly, the purpose of limb (ii) of Resolution 18 is to authorise the Directors to allot new shares and other equity securities pursuant to the allotment authority given by Resolution 17, or sell treasury shares, for cash up to a nominal value of £1,660, without the shares first being offered to existing shareholders in proportion to their existing holdings. This amount is equivalent to ten per cent of the total issued ordinary share capital of the Company excluding treasury shares, as at 2 April 2026, being the latest practicable date before the publication of this notice.

Resolution 18 has been drafted in line with the template resolutions published by the Pre-Emption Group in November 2022.

The PEG Principles also support the annual disapplication of pre-emption rights in respect of allotments of shares and other equity securities and sales of treasury shares for cash where these represent no more than an additional ten per cent of issued ordinary share capital (exclusive of treasury shares) and are used only in connection with an acquisition or specified capital investment. The PEG Principles define "specified capital investment" as meaning one or more specific capital investment related uses for the proceeds of an issue of equity securities, in respect of which sufficient information, regarding the effect of the transaction on the Company, the assets, the subject of the transaction and (where appropriate) the profits attributable to them, is made available to shareholders to enable them to reach an assessment of the potential return.

Accordingly, the purpose of Resolution 19 is to seek authority for the Directors to allot new shares and other equity securities under the allotment authority given by Resolution 17, or sell treasury shares, for cash up to a further nominal amount of £1,660, only in connection with an acquisition or specified capital investment which is announced contemporaneously with the allotment, or which has taken place in the preceding 12-month period and is disclosed in the announcement of the issue. This amount is equivalent to ten per cent of the total issued ordinary share capital of the Company as at 2 April 2026, being the latest practicable date before the publication of this notice, exclusive of treasury shares.

The Board has no current intention of exercising the authorities in Resolutions 18 and 19 to make pre-emptive or non-pre-emptive offers but considers them to be appropriate in order to allow the Company the flexibility to finance business opportunities.

The Board confirms that it intends to follow the shareholder protections set out in Section 2B of the PEG Principles.

If given, the authority will expire at the conclusion of the next AGM of the Company or 30 June 2027, whichever is earlier. The Directors intend to seek to renew such power at successive AGMs of the Company.

Authority for the Company to purchase its own shares (Resolution 20)

The Company's Articles of Association permit the purchase by the Company of its own shares subject to Shareholders' prior approval being obtained. This Resolution also renews the authority provided at the 2025 AGM and would authorise the Company to purchase up to 33,216,165 shares. If given, the authority will expire at the conclusion of the next AGM of the Company or 30 June 2027, whichever is earlier. The Directors intend to seek to renew this power at subsequent AGMs of the Company.

The Resolution specifies the maximum number of ordinary shares which may be purchased (representing 10 per cent of the Company's total issued ordinary share capital (excluding treasury shares) as at 2 April 2026, being the latest practicable date before the publication of this notice) and the maximum and minimum prices at which they may be bought, exclusive of expenses, reflecting the requirements of the 2006 Act and the UK Listing Rules.

As announced on 24 July 2025, the Company undertook a share buyback programme of up to £125 million of its own ordinary shares, pursuant to the general authority to purchase the Company's own shares approved at its 2024 AGM, which completed on 31 March 2026.

On 19 March 2026, the Company announced its intention to commence a further buyback programme to repurchase up to £125 million of its own ordinary shares which commenced on 1 April 2026. Shares purchased by the Company pursuant to the share buyback programme will be carried out using the authority to purchase its own shares approved by shareholders at the last AGM as opposed to the authority being sought in Resolution 20.

Under the 2006 Act, the Company is permitted to hold its own shares in treasury following a buyback, instead of cancelling them. This gives the Company the ability to reissue treasury shares quickly and cost-effectively (including pursuant to the authority under Resolution 17) and provides the Company with additional flexibility in the management of its capital base. Such shares may be resold for cash but all rights attaching to them, including voting rights and any right to receive dividends, are suspended while they are held in treasury. If the Board exercises the authority conferred by Resolution 20, the Company will have the option of either holding in treasury or of cancelling any of its own shares purchased pursuant to this authority and will decide at the time of purchase which option to pursue.

As at 2 April 2026, being the latest practicable date before the publication of this notice, the Company held 29,396,212 equity securities in treasury and no warrants or options outstanding.

Notice Period for meetings (Resolution 21)

The 2006 Act requires listed companies to give a minimum notice period of 21 clear days for general meetings (other than an AGM) unless Shareholders have approved the calling of general meetings on 14 clear days' notice and the Company offers the facility for Shareholders to vote by electronic means.

Resolution 21 seeks to renew the approval given by Shareholders at the 2025 AGM to allow the Company to call general meetings (other than an AGM of the Company) on 14 clear days' notice. The approval will be effective until the Company's next AGM, when it is intended that a similar resolution will be proposed.

The shorter notice period would not be used as a matter of routine for such meetings, but only where the flexibility is merited by the business of the meeting and is thought to be to the advantage of Shareholders as a whole.

Action to be taken

You will find enclosed a Form of Proxy. Please complete, sign and return it as soon as possible in accordance with the instructions printed thereon.

Recommendation

Your Directors consider that Resolutions 1 to 21, to be put to the meeting, are in the best interests of the Company and its Shareholders as a whole, and unanimously recommend Shareholders to vote in favour of Resolutions 1 to 21, as they intend to do in respect of their own beneficial holdings.

Yours faithfully,

Andrew Barron
Board Chair

Such authorities to expire at the end of the next AGM of the Company or 30 June 2027, whichever is the earlier, but in each case so that the Company may, before such expiry, make offers and enter into agreements which would, or might, require equity securities to be allotted and treasury shares to be sold after the authority given by this resolution has expired and the Directors may allot equity securities and sell treasury shares under any such offer or agreement as if the authority had not expired.

For the purposes of this Resolution, references to an allotment of equity securities shall include a sale of treasury shares.

20. That the Company be and is hereby unconditionally and generally authorised for the purpose of Section 701 of the 2006 Act to make market purchases (as defined in Section 693 of the 2006 Act) of ordinary shares of 0.005 pence each in the capital of the Company provided that:

Notice of 2026 Annual General Meeting

Notes to the Notice of Annual General Meeting

1. Shareholders wishing to attend the meeting are asked to register their intention at www.investorcentre.co.uk/eproxy no later than 10:00am on Friday, 15 May 2026. Rules around capacity at the venue and changes in health and safety requirements may mean Shareholders cannot ultimately attend the meeting.
2. A member entitled to attend and vote at the AGM may appoint one or more proxies to exercise all or any of their rights to attend, speak and vote at the AGM. A member can appoint more than one proxy in relation to the AGM, provided that each proxy is appointed to exercise the rights attaching to different shares held by them. A proxy need not be a member of the Company. Completion and submission of an instrument appointing a proxy will not preclude a member from attending and voting in person at the AGM. A Form of Proxy is enclosed.

In order to be a valid appointment of proxy, the Form of Proxy and the original (or a certified true copy) of any power of attorney or other authority, if any, under which the Form of Proxy is signed must be received by post, by courier or (during normal business hours only) by hand at Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY, no later than 15 May 2026 at 10:00am (or, in the event of an adjournment, the time which is 48 hours before the adjourned meeting).

Alternatively, members can submit their proxy online at www.investorcentre.co.uk/eproxy by following the instructions provided.

Please note that any electronic communication sent to the Company or to Computershare Investor Services PLC that is found to contain a computer virus will not be accepted. The use of the internet service in connection with the AGM is governed by Computershare Investor Services PLC's conditions of use set out on the website, www.investorcentre.co.uk/eproxy and may be read by logging on to that site.

If a member wishes to appoint more than one proxy and so requires additional Forms of Proxy, the member should contact Computershare Investor Services PLC on the Shareholder Helpline +44 (0)371 495 2032 or members may photocopy the Form of Proxy. (Calls to this number cost no more than a national rate from any type of phone or provider).

If in doubt you should check with your phone line provider as to the exact cost involved for you to call this number. Lines are open 8:30 – 17:30, Monday – Friday excluding UK bank holidays.

If you are an institutional investor you may be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proxymity, please go to www.proxymity.io. Your proxy must be lodged by 10:00am on 15 May 2026 in order to be considered valid. Before you can appoint a proxy via this process you will need to have agreed to Proxymity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy.

3. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM and any adjournment thereof by using the procedures described in the CREST Manual on the Euroclear website (www.euroclear.com). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s) should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment, or instruction, made by means of CREST to be valid, the appropriate CREST message ("a CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it relates to the appointment of a proxy or to an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID number 3RA50) by the latest time(s) for receipt of proxy appointments specified in the Notice of Meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to a proxy appointed through CREST should be communicated to them by other means. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy instructions. It is therefore the responsibility of the CREST member concerned (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s)), to procure that their CREST sponsor or voting service provider(s) to take such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

4. The right to appoint a proxy does not apply to persons whose shares are held on their behalf by another person and who have been nominated to receive communications from the Company in accordance with Section 146 of the 2006 Act ("Nominated Persons"). Nominated Persons may have a right under an agreement with the registered Shareholder who holds the shares on their behalf to be appointed (or to have someone else appointed) as a proxy. Alternatively, if Nominated Persons do not have such a right, or do not wish to exercise it, they may have a right under such an agreement to give instructions to the person holding the shares as to the exercise of voting rights.

Nominated Persons should also remember that their main point of contact in terms of their investment in the Company remains the member who nominated the Nominated Person to enjoy information rights (or, perhaps the custodian or broker who administers the investment on their behalf). Nominated Persons should continue to contact that member, custodian or broker (and not the Company) regarding any changes or queries relating to the Nominated Person's personal details and interest in the Company (including any administrative matter). The only exception to this is where the Company expressly requests a response from a Nominated Person.

5. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.
6. Pursuant to Regulation 41(1) of the Uncertificated Securities Regulations 2001 and for the purposes of Section 360B of the 2006 Act, in order to be able to attend and vote at the AGM or any adjourned meeting, (and also for the purposes of calculating how many votes a person may cast), a person must have their name entered on the Register of Members of the Company by close of business on 15 May 2026 (or by close of business on the date two days before any adjourned meeting). Changes to entries on the Register of Members after this time shall be disregarded in determining the rights of any person to attend or vote at the meeting.
7. Shareholders are entitled to attend and vote at general meetings of the Company. As at 2 April 2026, being the latest practicable date before the publication of this notice, the Company's total issued ordinary shares was 361,557,868 carrying one vote each on a poll. The Company holds 29,396,212 of its ordinary shares in treasury, therefore, the total voting rights in the Company as at 2 April 2026 are 332,161,656.
8. Under Section 527 of the 2006 Act, members meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to:
 - a. the audit of the Company's accounts (including the Auditor's Report and the conduct of the audit) that are to be laid before the meeting for the seven months ended 31 December 2025; or
 - b. any circumstance connected with an Auditor of the Company appointed for the seven months ended 31 December 2025 ceasing to hold office since the previous meeting at which Annual Report and Accounts were laid in accordance with Section 437 of the 2006 Act.

The Company may not require the members requesting any such website publication to pay its expenses in complying with Sections 527 or 528 (requirements as to website availability) of the 2006 Act. Where the Company is required to place a statement on a website under Section 527 of the 2006 Act, it must forward the statement to the Company's Auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM for the seven months ended 31 December 2025 includes any statement that the Company has been required under Section 527 of the 2006 Act to publish on a website.

9. Any member attending the meeting has the right to ask questions. The Company must cause to be answered any question relating to the business being dealt with at the meeting put by a member attending the meeting. However, members should note that no answer need be given in the following circumstances:
 - a. if to do so would interfere unduly with the preparation of the meeting or would involve a disclosure of confidential information;
 - b. if the answer has already been given on a website in the form of an answer to a question; or
 - c. if it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.
10. As soon as practicable following the meeting, the results of the votes cast for and against and the number of votes actively withheld in respect of each of the resolutions proposed at the meeting will be announced via a Regulatory Information Service and also placed on the Company's website **www.iggroup.com**.
11. This notice, together with information about the total number of shares in the Company in respect of which members are entitled to exercise voting rights at the meeting as at 2 April 2026, being the latest practicable date before the publication of this notice and, if applicable, any members' statements, members' resolutions or members' matters of business received by the Company after the date of this notice, will be available on the Company's website **www.iggroup.com**.
12. Any electronic address provided either in this Notice or in any related documents (including the enclosed Form of Proxy) may not be used to communicate with the Company for any purposes other than those expressly stated.
13. The copies of contracts of service of Directors with the Company or with any of its subsidiary undertakings and the letters of appointment of Non-Executive Directors will be available for inspection at the registered office of the Company, in accordance with government guidelines, at Cannon Bridge House, 25 Dowgate Hill, London, EC4R 2YA during normal business hours on any weekday (Saturdays, Sundays and UK public holidays excepted). These documents will also be available at least 15 minutes prior to and during the AGM.
14. Resolutions 1 to 21 at the 2026 AGM will be taken on a poll vote. This will result in a more accurate representation of the views of our Shareholders by ensuring that every vote is recognised, including the votes of all Shareholders who are unable to attend the meeting but who appoint a proxy for the meeting. On a poll, each Shareholder has one vote for every share held.
